## Brownsboro Elementary receives donation from Target

As part of the September Take Charge of Education donation, Target is awarding Brownsboro Elementary with a check for \$91.00. This payout is a direct result of the parents, teachers and school supporters who participate in the program, which has earned this school \$2,159.09 since 1997.

Through Take Charge of Education, families, teachers and members of the community have an easy way to raise money for their school. When they sign up and des-

ignate an eligible K-12 school, Target donates up to 1% of every purchase they make with their REDcard (Target Visa Credit Card, Target Credit Card or Target Check Card) to that school.

Take Charge of Education dollars are donated to schools twice a year. Over the past 11 years, schools have used the funds for whatever they needed, whether it was books, field trips, new technology or supplies.

## Chandler Nursing Center News

by Gretta Uzzell

We are looking forward to the Pow-Wow, residents declining to attend the Olympics just to save their energy up for the day of the 11th!

A special thank you to Lindsey Marshall for bringing in the gift bags for our residents. We appreciate her very much!

Also, if you would like to be involved in our "Adopt a Resident" for Christmas program, please give Gretta a call at 903-849-2485. Most of our residents have made their Christmas list, which consists of three items; you may purchase all three or one - you choose. If there is a certain resident that you are interested in, please call early.

A Big thank you to Ms. Margaret Burks for filling in and calling Bingo on the 27th, Saturday. Our residents appreciate her very much. She realizes the importance of Bingo and Bible study for her fellow residents. Also, Mr. Thomas Troutman, Christine and Ms. Marie Pierce help out with church services when services are not provided by the community.

That brings me to the need for services on the 2nd and 4th Sunday afternoon services.
